Japan and the Shackles of the Past

"A penetrating overview of Japan, from a historical, social, political, economic, and cultural perspective"--

Innovation in Language Teaching and Learning

This book examines a wide range of innovations in language learning and teaching in Japan. Each of the chapters describes the impetus for a change or new development in a particular context, from early childhood to adult learning, details its implementation and provides an evaluation of its success. In doing so, they provide a comprehensive overview of best practice in innovating language education from teaching practice in formal classroom settings, to self-directed learning beyond the classroom, and offer recommendations to enhance language education in Japan and beyond. The book will be of interest to scholars of applied linguistics and language development, and in particular to those involved in managing change in language education that attempts to mediate between global trends and local needs.

Japan's Security Renaissance

For decades after World War II, Japan chose to focus on soft power and economic diplomacy alongside a close alliance with the United States, eschewing a potential leadership role in regional and global security. Since the end of the Cold War, and especially since the rise of Prime Minister Shinzo Abe, Japan's military capabilities have resurged. In this analysis of Japan's changing military policy, Andrew L. Oros shows how a gradual awakening to new security challenges has culminated in the multifaceted "security renaissance" of the past decade. Despite openness to new approaches, however, three historical legacies—contested memories of the Pacific War and Imperial Japan, postwar anti-militarist convictions, and an unequal relationship with the United States—play an outsized role. In Japan's Security Renaissance Oros argues that Japan's future security policies will continue to be shaped by these legacies, which Japanese leaders have struggled to address. He argues that claims of rising nationalism in Japan are overstated, but there has been a discernable shift favoring the conservative Abe and his Liberal Democratic Party. Bringing together Japanese domestic politics with the broader geopolitical landscape of East Asia and the world, Japan's Security Renaissance provides guidance on this century's emerging international dynamics.

History of Japan: A Brief History of Japan - The Land of the Rising Sun

The interminable history of Japan is a fascinating tale of perseverance and hardship but also of beauty, art, and triumph. Japanese culture, way of life, and other aspects of the society draw in a lot of interest from folks all over the world, and this country has become something of a focal point for many connoisseurs of popular culture. As is the case with every other country, everything Japan is today was shaped by historical events and, in Japan's case, these events frequently affected other countries and even the entire world. This country's long history can demystify many things that you may not understand about the nation. The Japanese mindset, the country's past decisions, current path, and its future are all inseparably intertwined with the country's intricate history. By the time you've acquainted yourself with Japan's past, you will likely find that many

dissociated pieces of the puzzle will come together to form a clearer picture of many aspects of Japanese culture. This book will delve deeper into Japanese history, in chronological order. It will cover each period through discussions of important events, personalities, and the corresponding impacts that transform Japan into what it is today. Read on and find out more about the intriguing history of Japan.

Japan, Past and Present

This volume examines the development of the 'way of the samurai' (bushidō), which is popularly viewed as a defining element of the Japanese national character and even the 'soul of Japan' - to provide an overview of modern Japanese social, cultural, and political history.

Congressional Record

This book represents volume one of the writings of David Sissons, who for most of his career pioneered research on the history of relations between Australia and Japan. Much of what he wrote remained unpublished at the time of his death in 2006, and so the editors have included a selection of his hitherto unpublished work along with some of his published writings. *Breaking Japanese Diplomatic Codes*, edited by Desmond Ball and Keiko Tamura, was published in 2013 and forms a part of the series that reproduces many of Sissons' writings. In the current volume, the topics covered are wide. They range from contacts between the two countries as far back as the early 19th century, Japanese pearl divers in northern Australia, Japanese prostitutes in Australia, the wool trade, the notorious 'trade diversion episode' of 1936, and a study of the Japan historian James Murdoch. Sissons was an extraordinarily meticulous researcher, leaving no stone unturned in his search for accuracy and completeness of understanding, and should be considered one of Australia's major historians. His writings deal with not only diplomatic negotiations and decision-making, but also the lives of ordinary and often nameless people and their engagements with their host society. His warm humanity in recording ordinary people's lives as well as his balanced examination of historical incidents and issues from both Australian and Japanese perspectives are a hallmark of his scholarship.

Inventing the Way of the Samurai

A major renaissance in Japanese theater occurred in the 1960s. During this period, the implications of Japan's prewar actions as well as its postwar materialistic course were interrogated with fierce intensity. Nowhere was the depth and dynamism of this cultural questioning more clearly expressed than in theater. Fueling the explosion of seminal theater activity that took place was the generation of young artists who are the focus of *Alternative Japanese Drama*. Foreword by J. Thomas Rimer

Bridging Australia and Japan: Volume 1

The Life-Changing Magic of Tidying Up for the mind, *The Courage to Be Disliked* is the Japanese phenomenon that shows you how to free yourself from the shackles of past experiences and others' expectations to achieve real happiness. *The Courage to Be Disliked*, already an enormous bestseller in Asia with more than 3.5 million copies sold, demonstrates how to unlock the power within yourself to be the person you truly want to be. Using the theories of Alfred Adler, one of the three giants of twentieth century psychology, this book follows an illuminating conversation between a philosopher and a young man. The philosopher explains to his pupil how each of us is able to determine our own life, free from the shackles of past experiences, doubts, and the expectations of others. It's a way of thinking that is deeply liberating, allowing us to develop the courage to change, and to ignore the limitations that we and those around us have placed on ourselves. The result is a book that is both highly accessible and profound in its importance. Millions have already read and benefitted from its wisdom. This is a truly special book in the vein of Marie Kondo's *The Life-Changing Magic of Tidying Up* but for the mind. Those ready to embrace the insights and liberation promised by *The Courage to Be Disliked* will come to a deeper understanding of themselves and others, and find the inspiration to take the reins of their own life.

Alternative Japanese Drama

The authors identify both the likely disasters and the potential for prosperity inherent in the advent of the information age.

The Courage to Be Disliked

Karachi. Pakistan's largest city is a sprawling metropolis of 20 million people. It is a place of political turbulence in which those who have power wield it with brutal and partisan force, a place in which it pays to have friends in the right places and to avoid making deadly enemies. It is a society where lavish wealth and absolute poverty live side by side, and where the lines between idealism and corruption can quickly blur. It takes an insider to know where is safe, who to trust, and what makes Karachi tick, and in this powerful debut, Samira Shackle explores the city of her mother's birth in the company of a handful of Karachiites. Among them is Safdar the ambulance driver, who knows the city's streets and shortcuts intimately and will stop at nothing to help his fellow citizens. There is Parveen, the activist whose outspoken views on injustice corruption repeatedly lead her towards danger. And there is Zille, the hardened journalist whose commitment to getting the best scoops puts him at increasing risk. As their individual experiences unfold, so Shackle tells the bigger story of Karachi over the past decade: a period in which the Taliban arrive in Pakistan, adding to the daily perils for its residents and pushing their city into the international spotlight. Writing with intimate local knowledge and a global perspective, Shackle paints a nuanced and vivid portrait of one of the most complex, most compelling cities in the world.

Tales of Times Now Past

A history of Japan from ancient times to today explores Japan's impact on the modern world and examines its unique past and culture to explain its achievements and responses to world events.

The Sovereign Individual

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

Karachi Vice

Mainstream economists tell us that developing countries will replicate the economic achievements of the rich countries if they implement the correct "free-market" policies. But scholars and activists Toussaint and Millet demonstrate that this is patently false. Drawing on a wealth of detailed evidence, they explain how developed economies have systematically and deliberately exploited the less-developed economies by forcing them into unequal trade and political relationships. Integral to this arrangement are the international economic institutions ostensibly created to safeguard the stability of the global economy—the International Monetary Fund (IMF) and the World Bank—and the imposition of massive foreign debt on poor countries. The authors explain in simple language, and ample use of graphics, the multiple contours of this exploitative system, its history, and how it continues to function in the present day. Ultimately, Toussaint and Millet advocate cancellation of all foreign debt for developing countries and provide arguments from a number of perspectives—legal, economic, moral. Presented in an accessible and easily-referenced question and answer format, Debt, the IMF, and the World Bank is an essential tool for the global justice movement.

A History of Japan

LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at

LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

Bulletin of the Atomic Scientists

A beautifully made scent can encapsulate a particular feeling, transport you to a very specific time in life with clarity, or remind you of a special loved one or friend. And just like wearing your favorite outfit or shoes, your favorite perfume can make you feel invincible. The question is, how do you find such a creation? With the number of new releases steadily increasing, it can be bewildering even attempting to find a perfume you like, let alone love. In *Perfume*, Neil Chapman guides readers through a world that can at times seem overwhelming. Fragrances of every variety are listed 'note by note' in clearly divided categories that will steer you in the direction of a perfume you not only like, but love and cherish as 'your' signature scent. Chapters explore popular notes (for example, vanilla, sandalwood, jasmine, rose, patchouli, chocolate) or a broader identifiable group (such as 'oceanics', 'green florals' or 'anti-perfume'), giving an insight into that particular category as well as a clear sense of the similarities and differences between the scents described within it. Featuring over 700 scents, from vintage perfumes to department store classics, rarities and niche boutique fragrances, *Perfume* is a true portal into the beautiful world of perfume. The further you go on this journey, the more you will be amazed by how many beautiful creations do exist if you take the time to look.

Debt, the IMF, and the World Bank

The sequel to the darkly fantastic *WE ARE THE DEAD*: with more unflinching action, *A FOOL'S HOPE* sees Jia's revolutionaries dig in their heels as they learn that wars aren't won in a day. War takes everything. From Tinnstra, it took her family and thrust her into a conflict she wanted only to avoid. Now her queen's sole protector, she must give all she has left to keep Zorique safe. It has taken just as much from Jia's revolutionaries. Dren and Jax - battered, tortured, once enemies themselves - must hold strong against their bruised invaders, the Egril. For the Egril intend to wipe Jia from the map. They may have lost a battle, but they are coming back. If Tinnstra and her allies hope to survive, Jia's heroes will need to be ready when they do. With more bone-crunching action, tough choices and impossible odds, fans of Joe Abercrombie, Mark Lawrence and Ed McDonald will find something to love in this series. 'One of the best fantasy novels of the year' *Novel Notions* 'Probably my favourite book of the year' *The Chronicler* 'One of the best books I've read this year' *Starlit Book* * * * * * **THE LAST WAR** Book One: We Are the Dead Book Two: A Fool's Hope Book Three: Until the Last

LIFE

This is the fascinating story of how and why a Catholic nun became an accomplished Zen Master.

Perfume

In Victorian Cornwall, a doctor risks her marriage to fight for female asylum patients: "One of the most memorable heroines of recent fiction" (*The Times*, London). Shortlisted for the Wellcome Book Prize for Historical Fiction Ally Moberley, a recently qualified doctor, never expected to marry until she met architect Tom Cavendish. But only weeks into their marriage, Tom sets out for Japan, leaving Ally as she begins work at the Truro Asylum in Cornwall. Horrified by the brutal attitudes of male doctors and nurses toward their female patients, Ally plunges into the institutional politics of women's mental health at a time when madness is only just being imagined as treatable. She has to contend with a longstanding tradition of permanently institutionalizing women who are deemed difficult, all the while fighting to be taken seriously in a profession dominated by men. Meanwhile, Tom is overseeing the building of lighthouses, and has a commission from a wealthy collector to bring back embroideries and woodwork. As he travels Japan in search of these enchanting objects, he begins to question the value of the life he left in England. As Ally becomes

increasingly absorbed in the moral importance of her work, and Tom pursues his interests on the other side of the world, they will return to each other as different people. From the blustery coast of Western England to the landscape of Japan, *Signs for Lost Children* offers a “fine exploration of marriage and the complex minds of ‘lost children’—that is, all of us” (*The New York Times Book Review*). “Compelling . . . A quietly devastating portrait of the way identity crumbles when you’ve nothing, or no one, to pin it to.” —*The Guardian*

A Fool's Hope

The Indo-Pacific is fast becoming the world's dominant region. As it grows in power and wealth, geopolitical competition has reemerged, threatening future stability not merely in Asia but around the globe. China is aggressive and uncooperative, and increasingly expects the world to bend to its wishes. The focus on Sino-US competition for global power has obscured “Asia's other great game”: the rivalry between Japan and China. A modernizing India risks missing out on the energies and talents of millions of its women, potentially hampering the broader role it can play in the world. And in North Korea, the most frightening question raised by Kim Jong-un's pursuit of the ultimate weapon is also the simplest: can he control his nukes? In *Asia's New Geopolitics: Essays on Reshaping the Indo-Pacific*, Michael R. Auslin examines these and other key issues transforming the Indo-Pacific and the broader world. He also explores the history of American strategy in Asia from the 18th century through today. Taken together, Auslin's essays convey the richness and diversity of the region: with more than three billion people, the Indo-Pacific contains over half of the global population, including the world's two most populous nations: India and China. In a riveting final chapter, Auslin imagines a war between America and China in a bid for regional hegemony and what this conflict might look like.

Zen Contemplation for Christians

This ground-breaking book provides the first English-language survey of economic thought in modern Japan. Significantly, it offers both a detailed study of economic thought from 1600 to 1945 and a nuanced analysis of Western and Asian perspectives on the field of Japanese economic history. Expertly translated from Japanese and written by leading scholars in the field, this exciting study includes: * A novel approach to economic thought which contextualizes the core values of thinkers across the period * A comparative analysis of Japanese economic history which looks at the continuities across the Meiji divide * The extensive use of archival sources, many of which were previously unavailable in English *A History of Economic Thought in Japan, 1600 - 1945* serves as a case study of how Western economic ideas spread to non-Western regions and interacted with indigenous ideas. It will therefore be of immense value to both scholars of economic thought and those seeking a deeper understanding of the moral, intellectual, and societal forces that shaped modern Japan.

Managing Shigarami

The first book in *The Last War* series: a debut epic fantasy full of crunching revolutionary action, twisted magic, and hard choices in dark times. The war is over. The enemy won. Jia's people learned the hard way that there are no second chances. The Egril, their ancient enemy, struck with magic so devastating that Jia's armies were wiped out. Now terror reigns in the streets, and friend turns on friend just to live another day. Somehow Tinnstra - a deserter, a failure, nothing but a coward - survived. She wants no more than to hide from the chaos. But dragged into a desperate plot to retake Jia, surrounded by people willing to do anything to win the fight, this time Tinnstra will need to do more than hide. If Jia is to get a second chance after all, this time she will need to be a hero. With all the grit of Joe Abercrombie, Mark Lawrence and Ed McDonald, this is fantasy with the sharpest of edges. * * * * * 'The next Game of Thrones' Glen Cook, author of *The Black Company* 'Tarantino crossed with David Gemmell' Peter McLean, author of *Priest of Bones* 'A powerful debut' Gavin Smith, author of *The Bastard Legion*

Signs for Lost Children

Reclaim Your Heart is not just a self-help book. It is a manual about the journey of the heart in and out of the ocean of this life. It is a book about how to keep your heart from sinking to the depths of that ocean, and what to do when it does. It is a book about redemption, about hope, about renewal. Every heart can heal, and each moment is created to bring us closer to that transformative return. Reclaim Your Heart is about finding that moment when everything stops and suddenly looks different. It is about finding your own awakening. And then returning to the better, truer, and freer version of yourself. Many of us live our lives, entrapped by the same repeated patterns of heartbreak and disappointment. Many of us have no idea why this happens. Reclaim Your Heart is about freeing the heart from this slavery. It is about the journey in and out of life's most deceptive traps. This book was written to awaken the heart and provide a new perspective on love, loss, happiness, and pain. Providing a manual of sorts, Reclaim Your Heart will teach readers how to live in this life without allowing life to own you. It is a manual of how to protect your most prized possession: the heart.

Asia's New Geopolitics

Kakushi Goto works hard to raise his daughter Hime, even as he hides his job as a manga artist from her. Between parent visitation day at school and tons of outings on the weekends, the days are just packed...but it looks like the Goto household will have a new member of the family soon?! The new developments come fast and loose...and in the color pages, another "sensei" makes an appearance!

A History of Economic Thought in Japan

"There is hardly any book equal to Ways of Thinking of Eastern Peoples in terms of its thorough and systematic presentation of the intricate thought patterns of Asian peoples. The book not only is an essential reference for the student of Asian culture, but also for students of philosophy, religion, anthropology, and art, as it is an excellent source for aiding the student in gaining a deeper understanding of each facet of Oriental thought." --Isshi Yamada, Northwestern University "The clearest discussion and analysis of these complex subjects that I have found. My advanced undergraduate students find this work to be 'stimulating', 'challenging' and comprehensible.' The organization of the text enhances the usefulness of this volume, but it is the high quality of the scholarship that makes Ways of Thinking a most valuable addition to Asian studies and to the academic training of upper division students." --Ann B. Radwan, University of North Florida "I find Ways of thinking a most provocative source for exploring with my students certain basic themes in Eastern religion and culture. Used carefully, it is a most stimulating and effective source for tapping Eastern 'ways' at a fundamental level of inquiry." --Wilbur M. Fridell, University of California, Santa Barbara

Mechanical Engineering News

In The Pillow Book of Lady Wisteria, Laura Joh Rowland once again has written a book in which "an exotic setting, seventeenth-century Japan, and a splendid mystery...make for grand entertainment" (New York Daily News). In the carefully ordered world of seventeenth-century Japan, the Yoshiwara pleasure quarter is a place where men of all classes can drink, revel, and enjoy the favors of beautiful courtesans. But on a cold winter's dawn, Sano Ichiro--the shogun's Most Honorable Investigator of Events, Situations, and People--must visit Yoshiwara on a most unpleasant mission. Within a house of assignation reserved for the wealthiest, most prominent men, a terrible murder has occurred. In a room that reeks of liquor and sex, the shogun's cousin and heir, Lord Mitsuyoshi, lies dead, a flowered hairpin embedded in his eye, in the bed of the famous courtesan, Lady Wisteria. The shogun demands quick justice, but Sano's path is blocked by many obstacles, including the disappearance of Wisteria and her pillow book, a diary that may contain clues. The politics of court life, the whims of the shogun, and interference by his long time rival, Edo's Chief Police Commissioner Hoshina, also hinder Sano in his search for the killer. Sano's wife, Lady Reiko, is eager to help him, but he fears what she may uncover. When suspicion of murder falls upon Sano himself, he must find the real murderer to solve the case and clear his name.

We Are The Dead

A pacy, fresh and surprising portrait of Japan and the Japanese - from David Pilling, award-winning writer and Asia Editor of the Financial Times Despite years of stagnation, Japan remains one of the world's largest economies and a country which exerts a remarkable cultural fascination. David Pilling's new book is an entertaining, deeply knowledgeable and surprising analysis of a group of islands which have shown great resilience, both in the face of financial distress and when confronted with the overwhelming disaster of the 2011 earthquake. The resulting tsunami, which killed some 19,000 people, and nuclear catastrophe highlighted both the deeply impressive practical resilience of ordinary Japanese and a political culture of extraordinary carelessness and arrogance. Pilling describes the emergency and its aftermath, but then writes far more broadly about many aspects of Japan which are little known to outsiders and which do so much to explain these contradictory responses to the earthquake. *Bending Adversity* is a superb work of reportage and the essential book even for those who already feel they know the country well.

Reclaim Your Heart

Highly Commended for the Diversity, Inclusion and Equality Award at the Business Book Awards A powerful 10 step guide to transformative entrepreneurship for under-represented people from Eric Collins, host of the award-winning Channel 4 reality business show *The Money Maker*. 'Eric Collins is one of the most powerful business people in Britain.' *The Times* _____ Step 1: Embrace the unexpected Step 2: Engage in consistent and continuous acts of disruption Step 3: Let go of small - think bigger, think global and prepare for pitfalls Step 4: Take risks using data to mitigate the downside Step 5: Put your money where your mouth is, make your resources matter Step 6: Leverage what you know Step 7: Become a convener by making your mission bigger than yourself Step 8: Invest in women to create Alpha Step 9: Sell your vision, make time-appropriate asks and don't forget to recruit allies Step 10: Always bet on Black

_____ At a time when half of Black households in the UK live in persistent poverty - over twice as many as their white counterparts - *We Don't Need Permission* argues that investing in Black and under-represented entrepreneurs in order to create successful businesses is the surest, fastest socio-economic game-changer there is. Long-lasting economic empowerment - from education to health outcomes - is key to solving the multiple problems that result from systemic racism and sexism. And it is the best way to close the inequality gaps that have hampered and continue to hinder Black people and all women too. To address this problem head on, Eric Collins co-founded venture capital firm Impact X Capital to invest in under-represented entrepreneurs in the UK and Europe. In *We Don't Need Permission*, Collins identifies ten key principles of successful entrepreneurship, and reveals how it's possible to change a system that has helped some, while holding others back. The book not only aims to inspire and motivate under-represented people to take their future and economic destiny into their own hands, but will demand of current business leaders and organizations that they do business better. It's time to stop waiting for someone else to give permission and start boldly making the world we want to see. _____

Kakushigoto: My Dad's Secret Ambition 4

* Nominated for the 2020 National Book Critics Circle Award * Finalist for the 2021 PEN/Jacqueline Bograd Weld Award for Biography * A vivid, deeply researched work of history that explores the life of an unconventional woman during the first half of the 19th century in Edo—the city that would become Tokyo—and a portrait of a great city on the brink of a momentous encounter with the West. The daughter of a Buddhist priest, Tsuneno was born in a rural Japanese village and was expected to live a traditional life much like her mother's. But after three divorces—and a temperament much too strong-willed for her family's approval—she ran away to make a life for herself in one of the largest cities in the world: Edo, a bustling metropolis at its peak. With Tsuneno as our guide, we experience the drama and excitement of Edo just prior to the arrival of American Commodore Perry's fleet, which transformed Japan. During this pivotal moment in Japanese history, Tsuneno bounces from tenement to tenement, marries a masterless samurai, and eventually enters the service of a famous city magistrate. Tsuneno's life provides a window into 19th-century

Japanese culture—and a rare view of an extraordinary woman who sacrificed her family and her reputation to make a new life for herself, in defiance of social conventions. Immersive and fascinating, *Stranger in the Shogun's City* is a revelatory work of history, layered with rich detail and delivered with beautiful prose, about the life of a woman, a city, and a culture.

Ways of Thinking of Eastern Peoples

Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

Daily Graphic

Includes the first English translation of Kotoku Shusui's *Imperialism* by Robert Thomas Tierney.

The Pillow Book of Lady Wisteria

The Twenty-Four Histories (Chinese: 二十四史) are the Chinese official historical books covering a period from 3000 BC to the Ming dynasty in the 17th century. The Han dynasty official Sima Qian established many of the conventions of the genre. Starting with the Tang dynasty, each dynasty established an official office to write the history of its predecessor using official court records. As fixed and edited in the Qing dynasty, the whole set contains 3213 volumes and about 40 million words. It is considered one of the most important sources on Chinese history and culture. The title "Twenty-Four Histories" dates from 1775 which was the 40th year in the reign of the Qianlong Emperor. This was when the last volume, the History of Min was reworked and a complete set of the histories produced. The Twenty Four Histories include:

- Early Four Historiographies (四史)
- Records of the Grand Historian (史记, Shǐ Jì), compiled by Sima Qian 司马迁 in 91 BC
- Book of Han (汉书, Hàn Shū), compiled by Ban Gu 班固 in 82
- Records of the Three Kingdoms (三国志, Sān Guó Zhì), compiled by Chen Shou 陈寿 in 289
- Book of Later Han (后汉书, Hòuhàn Shū), compiled by Fan Ye 范曄 in 445[2]
- Book of Song (simplified Chinese: 宋史; traditional Chinese: 宋史; pinyin: Sòng Shǐ)—Southern Dynasties, compiled by Shen Yue 沈约 in 488
- Book of Qi (simplified Chinese: 齐史; traditional Chinese: 齊史; pinyin: Qí Shǐ)—Southern Dynasties, compiled by Xiao Zixian 萧子显 in 537
- Book of Wei (simplified Chinese: 魏史; traditional Chinese: 魏史; pinyin: Wèi Shǐ)—Northern Dynasties, compiled by Wei Shou 魏收 in 554
- Eight Historiographies compiled in Tang Dynasty (八史)
- Book of Liang (梁史, Liáng Shǐ)—Southern Dynasties, compiled by Yao Silian 姚思廉 in 636
- Book of Chen (陈史, Chén Shǐ)—Southern Dynasties, compiled by Yao Silian in 636
- Book of Northern Qi (北齐史, Běi Qí Shǐ)—Northern Dynasties, compiled by Li Baiyao 李百药 in 636
- Book of Zhou (周史, Zhōu Shǐ)—Northern Dynasties, compiled under Linghu Defen 凌胡德芬 in 636
- Book of Sui (隋史, Suí Shǐ), compiled under Wei Zheng 魏征 in 636
- Book of Jin (晋史, Jìn Shǐ), compiled under Fang Xuanling 房玄龄 in 648
- History of the Southern Dynasties (南史, Nán Shǐ), compiled by Li Yanshou 李延寿 in 659
- History of the Northern Dynasties (北史, Běi Shǐ), compiled by Li Yanshou in 659
- Old Book of Tang (旧唐史, Jiù Táng Shǐ), compiled under Liu Xu 刘煦 in 945
- Old History of the Five Dynasties (五代史, Wǔ dài Shǐ), compiled under Xue Juzheng 薛居正 in 974
- New History of the Five Dynasties (新五代史, Xīn Wǔ dài Shǐ),

compiled under Ouyang Xiu ??? in 1053 •New Book of Tang (???, X?n Táng Sh?), compiled under Ouyang Xiu in 1060 •Three Historiographies compiled in Yuan Dynasty (????) •History of Liao (?, Liáo Sh?), compiled under Toqto'a ?? in 1343[3] •History of Jin (?, J?n Sh?), compiled under Toqto'a in 1345 •History of Song (?, Sòng Sh?), compiled under Toqto'a in 1345 •History of Yuan (?, Yuán Sh?), compiled under Song Lian ?? in 1370 •History of Ming (?, Míng Sh?), compiled under Zhang Tingyu ??? in 1739 The book is translation of full text of China 24 Histories, covering all contents aforementioned.
