

As around the sun the earth knows she's revolving and the rosebuds know
to bloom in early May; just as hate knows love's the cure you can rest your
mind assure That I'll be loving you always. As now can't reveal the
mystery of tomorrow but in passing will grow older every day.. Just as all
is born is new, do know what I say is true, that

I'll be loving you always

Until the rainbow burns the stars out in the sky - always - Until the ocean
covers every mountain high - always - Until the dolphin flies and parrots
live at sea - always - Until we dream of life and life becomes a dream.
Until the day is night and night becomes the day - always - Until the
trees and seas just up and fly away - always - Until the day that SXSXS is
4 always - Until the day that is the day that are no more. Did you
know that you're loved by somebody? Until the day the earth starts turn-
ing right to left - always - Until the earth just for the sun denies itself

— I'll be loving you forever —

Until dear Mother Nature says her work is through - always -
Until the day that you are me and I am you.
